WORK EXPERIENCE

Worten

Sales Colaborator

Oeiras, Portugal
Sep 2021 – Nov 2021, Part-time

- Worked as a specialist in technology and computer systems to sell them directly to clients. Provided assistance with computer systems and information technologies in order to help customers find the best solutions for their technology related problems.

Pingo Doce

Barista

Parede, Portugal
Nov 2021 – Dec 2021, Full-time

- Worked as a barista for the integrated Coffee shop inside the market. Engaged directly with customers while learning the necessary skills to succeed at the job.

Vaccination centers in Lisbon

Volunteer for the portuguese vaccination effort

Lisbon, Portugal
Jan 2020 – Jan 2021, Volunteering

- Helped as a volunteer working for public vaccination centers during the Portuguese vaccination effort created during the Covid pandemic.

LIFE EXPERIENCE

Chess

Competitive player

Lisbon, Portugal
Jul 2020 – Present, Hobby

- I have loved chess ever since I learned it after leaving High School. I have been playing it daily and at clubs and small tournaments for 3 years.

Sports

Rugby player

Lisbon, Portugal
Sep 2013 – Jun 2015, Extracurricular

- I played for my local rugby team located in Galiza. This means I was federated and played in weekend long tournaments having to collaborate with a large team of different people.

Swimming Sep 2004 – Jun 2020, Extracurricular

- I have been a swimmer for as long as I can remember. It has taught me how to focus on a specific goal and how to improve and reach that goal overtime.

AWARDS & ACHIEVEMENTS

Speaker: I was invited to be a speaker on a panel organized by CPCJ in Cascais. I was invited to talk about the effects of divorce on older teenagers, specifically male teenagers with depression.
